

Dear friend,

August Newsletter 2024

“O give thanks unto the LORD; for he is good: because his mercy endureth forever. Let Israel now say, that his mercy endureth forever. Let the house of Aaron now say, that his mercy endureth forever. Let them now that fear the LORD say, that his mercy endureth forever. I called upon the LORD in distress: the LORD answered me, and set me in a large place.” Ps. 118:1-5 I praise the Lord for the opportunities of ministry that continue to enlarge!! I’m thrilled with the endless number of boxes of SOP books, along with KJV Bibles, and DVD’s that we can ship all over this planet to prepare a people for Christ’s soon return!! I’m just awed by the scope of the YouTube channel that is reaching throughout the earth, blessing thousands in its wake!! The mass mailings continue to reach multitudes with light for this time!! Praise be to God!! There is nothing I’d rather be doing now at this time in earth’s history than sharing the 3 Angel’s messages with a lost and dying world!! What an absolute joy!

As the rhetoric ramps up for climate change legislation; as Pope Francis pushes and prods the politicians, the merchants, and the churches toward a global government and as his primary aim is Sunday, I marvel at his futile efforts to save the world in sin. His efforts to bring the world in utter rebellion against the God of heaven while proclaiming this as the answer to mankind’s ills is an utter shock!! Francis’ constant moves toward Sunday place him directly in opposition to Heaven’s plan for this earth!

Throughout the history of mankind; from the very gates of Eden, God has established His covenant with humanity. This covenant is spelled out very clearly to Noah and to Abraham. Notice, “And God spake unto Noah, and to his sons with him, saying, And I, behold, I **establish my covenant** with you, and with your seed after you; And with every living creature that is with you, of the fowl, of the cattle, and of every beast of the earth with you; from all that go out of the ark, to every beast of the earth. And I will **establish my covenant** with you; neither shall all flesh be cut off any more by the waters of a flood; neither shall there anymore be a flood to destroy the earth. And God said, this is the token of the covenant which I make between me and you and every living creature that is with you, for perpetual generations: I **do set my bow** in the cloud, and it shall be for a token of a covenant between me and the earth.” Genesis 9:8-13 God established ‘My covenant’ with Noah. Hebrews 11:7 says that the covenant was based on righteousness by faith or obedience to God’s law through faith in the power of Christ! The outward sign of this experience of faith was the rainbow.

Several hundred years later, God renewed this same covenant with Abraham. Notice: “And I will make thee exceeding fruitful, and I will make nations of thee, and kings shall come out of thee. And I will **establish my covenant** between me and thee and thy seed after thee in their generations for an everlasting covenant, to be a God unto thee, and to thy seed after thee. And I will give unto thee, and to thy seed after thee, the land wherein thou art a stranger, all the land of Canaan, for an everlasting possession; and I will be their God. And God said unto Abraham, thou shalt keep my covenant therefore, thou, and thy seed after thee in their generations. **This is my covenant**, which ye shall keep, between me and you and thy seed after

thee; Every man child among you **shall be circumcised.**” Genesis 17:6-10 God established ‘My Covenant’ with Abraham. This was the same covenant as He made with Noah. The apostle Paul in Romans 4:11 tells us that this covenant was based on righteousness by faith in obedience to God’s law of 10 commandments!! “And he received the sign of circumcision, **a seal of the righteousness of the faith** which he had yet being uncircumcised: that he might be the father of all them that believe, though they be not circumcised; that righteousness might be imputed unto them also: As the rainbow was the sign of the covenant made to Noah, the outward sign of the covenant with Abraham was circumcision!

God made the same covenant with Israel at Mt. Sinai. “Ye have seen what I did unto the Egyptians, and how I bare you on eagles' wings, and brought you unto myself. Now therefore, if ye will obey my voice indeed, and **keep my covenant, then ye shall be a peculiar treasure unto me above all people:** for all the earth is mine: And ye shall be unto me a kingdom of priests, and an holy nation. These are the words which thou shalt speak unto the children of Israel.” Exodus 19:4-6 It was the same ‘My Covenant’; it was a covenant based on righteousness or obedience to the law of God by faith in Jesus Christ alone!! The outward sign of this covenant was the Sabbath or Saturday. “Speak thou also unto the children of Israel, saying, verily my sabbaths ye shall keep: for it is a sign between me and you throughout your generations; that ye may know that I am the LORD that doth sanctify you. Ye shall keep the sabbath therefore; for it is holy unto you: every one that defileth it shall surely be put to death: for whosoever doeth any work therein, that soul shall be cut off from among his people.” Exodus 31:13,14

Every ‘My Covenant’ that God made had as its standard the 10 commandments and God promised to empower His children as they looked in faith to Him! “Now unto him that is able to keep you from falling, and to present you faultless before the presence of his glory with exceeding joy,” Jude 24 Each covenant had an outward sign: the rainbow, circumcision, and the Sabbath! For Francis to establish an agreement with mankind outside of God’s covenant whereby the earth can expect God’s blessing, is nothing short of insanity and, instead of a blessing, Francis’ Sunday will bring a curse on humanity!!! “When Protestant churches shall unite with the secular power in sustaining a false religion, for opposing which their ancestors endured the fiercest persecution, then will the papal Sabbath be enforced by the combined authority of church and State. **There will be a national apostasy which will end in national ruin.**” E.G. White, Bible Training School, Review & Herald, {BTS, February 1, 1913 par. 6}

Edward “HE SPAT AT A STATUE.”

“P.B., George Masau is a 62-year-old who lives in Central Angola. He is a retired soldier. His wife has been a Catholic devotee. In his marriage with his wife Stella, George has only attended the mass twice in his life. The first time was when he married his wife for it was his wife who invited him to her Church she has known since her childhood. And the second time George attended a Catholic mass was when he had retired from the military. Now here is the rest of his story. While George was in service, he travelled to many countries and places and in one of his last trips, he was sent to Kenya. While there, a good evangelist with T.T. Materials was passing by distributing materials like we do. George who at that time was on duty, ordered the young evangelist to stop and tell him where he was going and what he was carrying. The young

evangelist was happy to introduce himself and produced the materials he was carrying. George was interested to have all the titles of tracts with GC Book. At his request he was given. He appreciated the young man and allowed him to pass. George was thrilled to read a variety of tracts that he appreciated a lot. He was so surprised to learn that Catholic's leader the Pope made several changes to the word God and to the Christian religion. When he ended reading the tracts, he turned to the GC book which he read cover to cover in 21 days. The Lord directed George to the truth from these wonderful materials and by and by, he started to get upset when he could see his wife going to attend a useless mass. George one Sunday morning called his wife when he was off duty and spoke to her concerning what he had found out. His wife was obedient. Her only request was that if it is God who has said all what her husband was revealing to her, she was willing to follow. That Sunday was a revealing Sunday for George and his wife who sat together and read together. It came to happen that after the mass, the young sister to the wife of George wanted to know why her elder sister did not come to church and she passed by their home just to find them reading the GC. She joined them and got carried away with the wonderful explanation of George. The next Sunday, the young sister to George's wife invited other Catholic members to come and listen to what George was revealing. In the meantime, George collected several Catholic Idols that his wife was keeping in their home and burned them. George called himself to be a new Martin Luther. A good size gathering started in George's home with many Catholic members who got thrilled about George with his studies. To make matters good, George met our contacts who now equipped him with DVDs and he was so thankful to have DVDs where a wonderful American has revealed deep things of the Lord from prophecy to the full gospel. It is the DVDs that changed and shaped George forever. It did not take long that the priest learned of studies at George's home where most members were going to learn than attending mass. This did not sit well with the priest who visited George. He found him showing a group of new believers from Daniel 7. That priest sat with the people and listened to the end of the sermon then called George and spoke to him privately that he should stop what he was doing. The priest threatened George to immediately end what he was doing. George told the priest that he was Martin Luther incarnate and nothing will stop him. He appealed to the priest to desist from cheating people. The priest got upset and left. He was so angry that he organized young men to come and attack George with his group while they were worshipping. That priest paid thugs to do that and the next Sunday mid-morning when the DVD sermon was on, a small group of young men surrounded George with his group. They had sticks with some metals to use to beat the people and George himself but God is God and was in control. George spotted the thugs coming and he used his military skills to crawl and hide somewhere. He got a military belt and positioned himself where he would attack the leader. As the thugs reached the place where the people were watching the sermon, their leader heard from the loud speakers " a writing on the wall" he stopped and desired to hear more and that is how he sat down with his group and listened way to the end. He even appreciated the message and told George that he has joined. George never attacked the thugs as he watched them entering the room and sat down to listen. A report reached the priest that the young men he sent did not do the beating but they have joined George. That priest got mad by arranging another group. The second group learned why the first group failed to beat up the people because of the nature of lessons George was showing the people. When George learned of the second group coming, he told his members what was going on and the first

group continued to attend the lessons, something that pleased George very much. The second group were friends with the first group and they too did not beat anyone but joined their colleagues to learn deep things of the Lord that their very priest has never revealed. The following day, George in company with several of his members decided to end the conflict between them and the Catholic priest. They walked to the house of that priest and found him seated outside doing a rosary prayer. George got the rosary and spat on it and threw it into a garbage bin. That priest was angry but George told the priest that God is not found in fake and useless statues like this. To the amazement of the priest, more than 30 members threw their rosaries to the ground, with other statues of Mary. That priest remained silent as the throwing went on. Then at last, George told the priest that his group was no longer under his parish. He came with his members like Luther to show the errors of Papacy. Before they left, George stepped forward and touched a large statue of Mary, he spat on it and turned to the priest. He looked in the eyes of the priest and told him to go and tell the Pope that he cannot fight God. He took a "Who Changed it " and gave it to the priest with 4 DVDs, where 2 are from Daniel series and the other 2 are from Revelation series and this group with George left. They continued to worship God on Sabbath and not Sunday anymore and people were happy. That priest left that parish and disappeared. He went to his home and reviewed the DVDs and the tracts. Am told that he left priest hood and got married. He has since left Angola for another country with the only materials he got from George. Wherever this priest can be, he is convinced of the messages from those 2 DVDs.”
